Application for a permit shall be made by the owner or lessee of the building or structure, or agent of either or by the registered design professional employed in connection with the proposed work.

The Applicant certifies that all information on this application is correct and the work will be completed in accordance with the "approved" construction documents and the Uniform Construction Code and any additional approved building code requirements adopted by Durham Township. The property owner and/or applicant assume the responsibility of locating all property lines, setback lines, easements, right-of-ways, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel or set aside any provisions of the codes or ordinances of Durham Township or any governing body. The applicant certifies he/she understands all the applicable codes, ordinances and regulations and that work will not commence until permit(s) are issued; the review could take up to fifteen (15) days from time permit application is submitted.
