In the event of bad weather, the senior center is closed when Palisades School District is closed or having a virtual learning day due to inclement weather. If there is a 2 hour delay, we will open at 10:00. If Palisades dismisses early, the senior center will close early. Call the senior center to hear a recording after 8AM. Please use your own best judgement if you decide to venture out if we are open. If the senior center is without power for more than 30 minutes, we will close the center. If you are feeling sick, even if you just have a cold, please do not visit the senior center until you feel better.

AARP Taxes Volunteer Tax Counselors from AARP are available to prepare tax returns on Thursdays in March. Call the senior center to make an appointment. You will receive a Pre-Appointment packet when you make your appointment. Please fill out the paperwork and bring it to your appointment.

****Remember to sign up by Tuesday at noon for the following week.** You must be registered with the senior center. We need a minimum of 5 people to order for any given day. A voluntary contribution of \$2 is suggested for anyone over the age of 60. Please put the money in the box in the kitchen `marked “Congregate Meals”. Please remember that a large portion of our funding from Bucks County Area Agency on Aging is determined by the number of congregated meals that we serve. Consider ordering lunch even if there is not an activity that you plan to attend that day. One of the purposes of serving the meals here is to socialize. Talk to your friends, maybe they would order lunch if they knew someone else was also interested. Remember, games, puzzles, and the library are always open. Please consider volunteering to serve the meals. If you need help ordering a meal, would like to volunteer to serve the lunches or have any questions, talk to Veronica McIntosh or Margie Jesiolowski.

Property Tax/Rent Rebate Program The income requirements have expanded so more Pennsylvanians will be eligible to receive the Property Tax/Rent Rebate in 2024. The majority of past claimants may see increased rebates as well. AARP Tax counselors are able to help you fill out your forms at your appointment to get your taxes done.

Bucks County Opportunity Council Weatherization Program If you are a resident of Bucks County, meet the income limits and qualify for this program, an energy auditor will inspect your home and recommend certain measures such as caulking windows, weather-stripping doors or insulating the attic. Information is also available for this program at the senior center.

LIHEAP/Low Income Home Energy Assistance Program If you need help paying your heating bills, or have a heating emergency, LIHEAP may be able to help you. This program helps low income families pay their heating bills. LIHEAP is a grant. You do not have to repay it. To receive help, apply between November 4, 2024 and April 4, 2025. Detailed information including income limits and applications are available at the senior center.
